

# 2020 REVIEW

## THIS IS OUR MOVEMENT. THIS IS OUR MOMENT.

## CELEBRATING 10 YEARS OF THE MOTHER PAC

In the spring of 2010, a group of Oregon mothers came together to start The Mother PAC. We shared a concern that mothers – and the issues that impact us most – are overlooked by those elected to represent us. Since then, we've pooled our resources and time to support over 275 candidates who will fight for us.

Together, we have had some incredible wins.

-  Most inclusive paid family & medical leave law in the nation
-  The strongest reproductive health access law in the nation
-  Protections and accommodations for breastfeeding & pregnant workers
-  Statewide paid sick days for every Oregonian
